

ROLLA PIE RIDE

235 Miles

Light traffic, hills and curves then top that off with an awesome slice of PIE!
(optional of course)

When you mention the city of Rolla to central Missouri riders, “**The Slice of Pie**” bakery is what pops into their heads. They have been making delicious homemade pies and cheese cakes for almost 30 years. Pie by the slice, half slice, or treat yourself to whole pie. They also offer a limited lunch menu and sugar-free offerings.
